NEBRASKA PARALEGAL ASSOCIATION (NePA)

Who We Are:

NePA was formed August 26, 1976 as a non-profit organization in the State of Nebraska. We strive to:

- Establish good fellowship among NePA members, NALA, and members of the legal community;
- Encourage a high order of ethical and professional attainment;
- Further education among members of the profession;
- Support and carry out the programs, purposes, aims, and goals of NALA;
- Promote the paralegal profession in Nebraska and cooperate with organized bar associations or any judiciary/legislative branch in Nebraska regarding training and employment of paralegals in this state; and
- Provide opportunity for the advancement, education, experience, and networking of the members of NePA and the public through seminars, publications, and other events.

What We Do:

- Hold monthly luncheons during the year with speakers on topics related to the paralegal profession like eDiscovery, Litigation, Family Law, Cybersecurity, Corporate Law, etc.
- Hold Mid-Year Meeting and Seminar in the spring with approved CLEs.
- Hold Annual Meeting and Seminar in the fall with approved CLEs.
- Provide two Education Awards annually to paralegal students in the amount of \$500 each.
- Provide scholarships for two Active members to pursue the CP or ACP designations.
- Publish the *In Brief* which is an e-zine with resources for all paralegals in law firms, corporate offices, non-profits, and government agencies.
- Maintain an updated website which offers information on membership, upcoming training and events as well as registration and payment options.

Community Involvement:

NePA is keenly aware of the need for professional organizations to give back to the community and assist those less fortunate. As an organization, NePA is actively involved in:

- American Cancer Society's **Relay for Life**, raising funds to help in the fight against all types of cancer. Over the 10+ years we've been involved, NePA's Legal Beagles team has raised over \$25,000!

Our members are individually involved in many other organizations and many have served as officers and committee members in our national affiliate, NALA, the Paralegal Association.
